

Wavin SiTech+

Innovative Plumbing System for Soil and Wastewater Applications

Wavin's innovative three-layer SiTech+ pipe systems with centimetre markings set new standards in low-noise soil and waste disposal. Made from mineral reinforced polypropylene (PP) with 20% heavier fittings compare to predecessor, the easy-to-install SiTech+ system is designed to reduce the noise levels without compromising on efficiency.

From large-scale construction to small renovation projects, SiTech+ is perfect for noise-sensitive environments such as apartments, hotels, offices, hospitals, nursing homes and residential spaces. Its noticeable noise improvement makes sure it goes unnoticed in any living or working environment.

Key Features & Highlights:

The new black colour adds durability and robustness

Angular Rotation Guidance

Ribbed Fitting

Insertion Depth Check

Wavin SiTech+

Single Socketed Pipe (L=0.15 mtr.)

Size (mm)	Std. Pkg. (Nos.)	MRP (per length)
50	20	177
75	*	232
110	20	563

Single Socketed Pipe (L=0.25 mtr.)

Size (mm)	Std. Pkg. (Nos.)	MRP (per length)
